

WESSEX NEWSLETTER

Firstly we would like to start by congratulating both Phil Laws and John Stoodley on reaching the milestone of 21 years in Partnership together. They started back in 1990 in a small garage and have since grown into one of the largest and well known in the Dorset and surrounding area. A big CONGRATULATIONS to you both from all your friends, family and the staff at Wessex Dental Laboratory.

Our second studio in West Moors has now been officially open for a year. Phil now works there on a Tuesday afternoon and all day Thursday, while John is at the studio all day Mondays to see patients. For those that dont know, Sue is our friendly receptionist situated at the premises Monday – Friday and will provide you with any information needed, help or arrangement of appointments. You can contact Sue weekdays on 01202 893339.

New: Wessex Dental Laboratory & Denture Studio have now recently become authorized providers of UNDER ARMOUR PERFORMANCE MOUTHWEAR™ powered by amourbite technology. John and Phil will now be taking on patients who are interested in having Under Armour Performance mouthguards or mouth pieces fitted.

See our website or contact the laboratory for further information

Wessex will this year be attending the Bournemouth Sevens Festival 2011 to be held at Bournemouth Sports Club on the last May bank holiday weekend. Here we will be promoting our new Under Armour Performance mouthguards (contact sports) and mouthpieces (non contact sports). So come along and visit of stand in the trade village next to the main rugby pitch.

John and Phil have also recently completed and passed courses on VALPLAST™ flexible dentures and Wessex Dental Laboratory is now a certified Valplast Laboratory, so we can provide dentists and the public with flexible partial dentures.

Staff News

Roger Ingram has rejoined Wessex Dental Laboratory after working a few years at another laboratory. He will be joining Karl in the management department and we wish him all the best on his return.

Charlotte Gordon joined us last year and has been assisting John in the surgery as his nurse. She is now currently enrolled on a Foundation Degree Course at UWIC University at Cardiff on a part-time apprenticeship basis. Charlotte has shown great potential and promise and we wish her well in achieving her qualification.
